EDUCATION

B.Tech (ECE – AI & ML)	2023 – 2027	Netaji Subhas University of Technology (NSUT)	CGPA: 7.7
AISSCE / Class XII	2023	Mount Carmel School, Delhi	87.4%
AISCE / Class X	2021	Mount Carmel School, Delhi	79.8%

TECHNICAL SKILLS

Languages:	C++, Python, JavaScript, SQL
Machine Learning:	XGBoost, LightGBM, Scikit-learn, Pandas, NumPy, SHAP
Web Technologies:	HTML, CSS, React, TailwindCSS, Streamlit
Backend / Deployment:	FastAPI, REST APIs, Render, Vercel
Developer Tools:	Git, GitHub
Core CS:	OOPs, DBMS, Operating Systems, Computer Networks

PROJECTS

Explainable IPL Win Probability Engine GitHub — Live Demo

- Built AI-powered IPL win probability engine using historical ball-by-ball data and ensemble ML models.
- Developed explainable prediction pipeline using XGBoost and SHAP for feature-level match insights.
- Designed replay engine with momentum tracking and interactive Plotly visualizations.
- Created Streamlit dashboard enabling live probability updates and match-state analysis.

Volleyball Attack Prediction System GitHub — Live UI

- Built hybrid ML system predicting volleyball attack landing zones using 32 engineered spatial features.
- Designed XGBoost + LightGBM ensemble with sequential transition modelling.
- Achieved **58.08% Top-1 Accuracy** and **0.701 MRR**.
- Developed deployed FastAPI backend and React frontend with live court visualization.

Quick Commerce Delivery Time Prediction System GitHub

- Built ML application predicting delivery time across 11 Indian cities for quick-commerce platforms.
- Engineered XGBoost + LightGBM ensemble using temporal and spatial features.
- Designed FastAPI backend with deployed React frontend using Render and Vercel.

ACHIEVEMENTS

- Solved **400+ DSA problems** across competitive coding platforms including LeetCode.
- Earned **NPTEL Certifications** in OOPs and Ethical Hacking.
- Built and deployed multiple end-to-end ML systems with live APIs.
- Former **State-Level Volleyball Player** representing Delhi.

POSITIONS OF RESPONSIBILITY

Social Worker — Umeed: A Drop Of Hope (NGO), New Delhi

- Coordinated fundraising and social outreach initiatives.
- Assisted operational planning for NGO activities.
